

**CARLTON NORTH'S NIC OWEN ARCHITECT'S RECEIVES BEST OF HOUZZ 2015 AWARD  
AS ONE OF AUSTRALIA'S TOP HOME PROFESSIONALS**

*Over 25 million users in Australia and around the world select the best of  
Home Building, Renovation and Design*

**Australia, VIC, February 23, 2015** – **Nic Owen Architects** of **Carlton North** has been awarded 'Best of Houzz 2015' for **Customer Service** by [Houzz.com.au](http://Houzz.com.au), the leading platform for home renovation and design. The **award winning architectural company** was chosen by the more than 25 million users that make up the Houzz community (with over 1 million in Australia). **Nic Owen Architects** was selected from among more than 500,000 home professionals worldwide!

The Best of Houzz awards fall under two categories: 'Design' and 'Customer Satisfaction'. Design awards are granted to home professionals whose work was the most popular among the more than 25 million monthly users on Houzz, affectionately known as 'Houzzers'. Customer Satisfaction honours are determined by a variety of factors, including the number and quality of client reviews received by a professional in 2014.

***Nic Owen architects** are a Young design focused team committed to creating architecture that is a joy to inhabit through the treatment of space, form, materials and light. Specialising in residential architecture.*

Jason Chuck, Managing Director of Houzz Australia, says: "It's great to see **Nic Owen Architects** recognized as the Best of Houzz from across Australia and more than 500,000 businesses worldwide. It's a genuine tribute to their expertise when the award is judged by our community of homeowners and design enthusiasts who are actively building, renovating and decorating their homes."

"For homeowners, Houzz.com.au provides them with everything they need to build, renovate or decorate their homes, connecting them with not only the best home professionals and products from Australia, but also from around the world. Our community in Australia is already over 1 million and growing every day."
